Month Month

Applicants and their predecessors in interest have used this source  
(i) Remarks and the range territory for a considerable distance around  
same for many years prior to 1905, and such vested rights which have been  
initiated thereby, and which are claimed, are not waived by virtue of the  
filing of this application. This means is taken to perfect a record right  
to the use of said water, there being no provision of law at the present  
time for the determination of vested stockwatering rights by the State  
Engineer.

DESCRIPTION OF PROPOSED WORKS

Earth and rock dams will be constructed in spring channel State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water

is to be stored in reservoirs, it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions.

- 5. Estimated cost of works One hundred dollars.
- 6. Estimated time required to construct works Already constructed.
- 7. Remarks This spring is about four miles S. W. of Knott Creek Ranch  
For use of applicant  
held by these applications.
